

Join us at the 2025 ACCSES NJ STAR Conference!

This year's theme is "Riding the Tides of Change." What better way to celebrate than to join us for the ACCSES NJ STAR Conference on October 8 and 9 at Bally's Hotel and Casino in Atlantic City, NJ! As always, registration is complimentary for NJ Government professionals.

This year, we showcase 6 courses on October 8 that have all been approved for DLGS and RPPO/S CEUs; you could earn up to 4.5 credits. Attendance is at no cost for government employees. The event features extensive training sessions, valuable networking opportunities, and showcases the achievements of New Jersey residents with disabilities. Stay for our awards luncheon and our evening Networking Event.

The conference draws attendance and participation from our statewide membership, as well as government, business, and organizational partners that share our mission of providing jobs and services to individuals with disabilities in our state.

Here is a list of Day 1 class topics. (DLGS CEUs have been approved), All classes provide 1.5 CEUs.

- AI for Government and Non-Profits
- Overview of New Laws and Local Finance Notices in Local Public Contracts Law
- New Jersey State Agencies Offering Compliant Purchasing Alternatives & Preferred Sources
- OPRA Today 1
- Using Artemis

We are also working on a class on Green Cleaning, also for 1.5 CEUs.

If you are interested in joining us, you may use the following link to register for the conference, use the "State and Local Government Ticket" choice. Don't Delay! The deadline for registering is October 3.
